Own a Juneau Legend: Devil's Hideaway Food Cart - Juneau's favorite wings and award-winning burgers are looking for their next owner. For 14 years, Devil's Hideaway has built a loyal following, and it's busier than ever. Everything is ready on day one: a custom-built food cart and tow truck, commercial equipment, inventory, signature recipes and its own hot sauce line. A prime year-round spot at the Vintage Food Truck Park sits in one of Juneau's fastest-growing neighborhoods. The owner will train you in the recipes and the operation. There is plenty of room to grow, with more days open, catering and wholesale hot sauces. Skip the startup and step into a brand Juneau already loves. Seller financing will be considered. Non disclosure agreement must be signed.
