Great lot with a fresh water creek that runs from Greenrock lake. Creek could be used as a water source. US Forest service staked the property in 1989. Great lot to build a custom Alaskan cabin on and live remotely! South on the narrows--just to the west of Dave N. Ohmer subdivision and island point subdivision. North of Greenrock subdivision.

E. Bennett McGrath

Location Details

Elementary School: Stedman
Middle School: Mitkof
High School: Petersburg
Location/Area: PETERSBURG
