Mile 17 Betton View Subdivision a large tract of waterfront land located on the north end of the Ketchikan road system near the Settlerâ□□s Cove Recreation Site and just a few miles from Knudson Cove Marina. This stretch of land is one of the few remaining areas of undeveloped waterfront properties on the road system within the Borough. These parcels are unique for Ketchikanâ□□s Real Estate Market in that they are on the road system, multiple acres each, and waterfront to the ocean. Lot 6 hosts 174,610 SF or 4.00 acres of wooded undeveloped land with 365.59 ft of water frontage. Each parcel is considered to have decently steep topography with a number of potential locations to build upon with further development. These parcels are being sold as surplus lands by the Ketchikan Gateway Borough.
